Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed March 28, 2008, Applicant hereby provisionally elects claims 1-24 for continued examination.

The Examiner has required restriction between claims 1-24 and claims 25-29 and 30 because claims 1-24 are drawn to an IV medication infusion pump for use with a hospital information management system (HIMS) and claims 25-29 and 30 are drawn to a wireless communication system from an IV medication infusion pump to a hospital information management system (HIMS).

Applicant believes the fee required is included with this response. However, if an additional fee is due, please charge our Deposit Account No. 50-0591, under Order No. 17127/002004 from which the undersigned is authorized to draw.

Dated: April 29, 2008

Respectfully submitted,
